

# CMR INSTITUTE OF TECHNOLOGY

Kandlakoya (V), Medchal Road, Hyderabad – 501 401  
Ph. No. 08418-200720, 9247605109 Fax No. 08418-200240

## Preamble

CMR Institute of Technology, popularly known as CMRIT is one of the premier institutions established in the State of Telangana. CMR Institute of Technology was established in the year 2005 under MGR Educational Society in Kandlakoya village amidst lush green environs in 10 acres of land with a built up area measuring 24,181.72 Sq.M. It is academic destination to cherish the students' intellectual acumen. Since inception, CMR Institute of Technology has been striving to impart exemplary education to students in Engineering & Technology, and Business Management. CMRIT has been consistently ranking top among engineering institutions of Telangana.

## The First Strategic Plan

Considering the major changes that have taken place globally and in India, CMRIT has strategically brought about changes in the Institute's direction, structure, interfaces and performance. Feedbacks have been taken and discussions have been held with the different stakeholders to develop the knowledge base and we have reached a consensus. Areas of strategic importance were identified and strategic plan - to be reviewed every six years, was formulated in year 2010. The summary of strategic plan 2010-2016 and the key achievements are provided in this section.

Looking ahead six years, the institution has aimed at achieving excellence and distinctiveness by following the strategic plan mentioned below:

- To provide a high quality environment for teaching, learning and research
- To encourage students to participate in workshops, symposiums, paper presentations etc.,
- To encourage faculty for research and higher education
- To get NBA Accreditation
- To support a diverse community of faculty, staff and students
- To encourage students and faculty participation in community activities

### Achievements of the first strategic plan:

- 2010-11 Started PG courses in ECE & CSE
- 2011-12 Increased intake in CSE and ECE Courses  
Started PG course in ME and increased in CSE  
Received Permanent Affiliation Status for A.Y.: 2011-14  
Achieved NBA Accreditation Status for UG - ECE & CSE Courses
- 2012-13 Increased intake in CSE and ME Courses  
Increased intake in PG Courses in CSE and ECE
- 2013-14 Increased intake in ECE Course

- 2014-15  
Increased intake in PG courses in CSE, ECE & ME  
Recognized by UGC under section 2(f) & 12 (b)  
Increased intake in MBA Course  
Started PG Course in CE  
Received Permanent Affiliation Status for A.Y.: 2014-19  
Installed Campus Radio
- 2015-16 Recognized by Scientific and Industrial Research Organizations (SIROs).
- Consistent improvements in student results, placements, higher education and career advancement among the staff.

## The Second Strategic Plan

Strategic Plan 2016–2022 has been designed in view of the institution's Vision, Mission and Quality policy, to sustain the achieved progress, to make the students academically and technically sound and to tap career opportunities.

The Strategic plan 2016–2022 identified the following broad categories which aim at:

- Improving R&D in the institution
- To get NBA Accreditation for all UG Courses
- Mobilizing funds through consultancy works
- Modernization of Laboratories
- Construct an auditorium with at least 1500 seating capacity
- Construction of Girls hostel make it function from A.Y.2017-18
- Motivating students towards entrepreneurship
- Achieving autonomous status to gain academic independence to revise the curriculum to meet the local and global needs
- Achieving Accreditation from Quality Assessing councils/agencies like NAAC etc.
- Achieving research grants from government and semi government agencies
- Improving the academic results by at least 5% every year
- Obtaining 100% placements by enhancing the domain knowledge and soft skills to the students
- Obtaining fully residential status by 2020
- Attaining Deemed University status by 2025
- Being part of ISRO Student Satellite program by 2025

### **Achievements of the second strategic plan:**

- 2016-17      Extension of Approval for UG and PG Courses.  
Achieved NBA Accreditation Status for all UG Courses  
Submitted Application for UGC Autonomous Status  
Modernization of Laboratories
- 2017-18      Achieved UGC Autonomous Status  
Commenced Incubation Center  
Approval for NSS cell from JNTUH  
Started Girls Hostel in the Campus  
Constructed Auditorium with seating capacity for 1750 members

Strategic Plan 2016–2022 of the institute sets out specific targets in every sphere of activity—academic programmes, research, collaboration with industry, entrepreneurship, development of infrastructure and facilities, placement, community outreach and alumni relations. After elaborate discussions, the governing body has set the targets which are ambitious and achievable. The vision can be realised with the collaborative efforts of stakeholders—faculty, staff, students, alumni, industry experts.
